Standard Islands

INT Series Standard Islands are the foundation for Vermont Islands' line of interior mobile cabinets, carts and bars. We offer a wide variety of options and accessories that turn these standard components into specialized food and beverage service stations. Our interior line is built to order and can be made to match nearly any interior; all we need is a material sample or digital photo.

INT 4800 4' Island

INT 6300 Angle/Corner

INT 7200 6' Island

INT 9600 8' Island

"They sized up our needs, making valuable suggestions and recommendations that fit our facility perfectly... our revenue and service have both improved."

—William Hoferer, President — NJ Club Managers' Association

"The addition of a beautiful system from Vermont Islands has really enhanced the image of our outdoor areas and made our members feel part of a unique setting."

—Brent Merrill, GM — Hudson National Golf Club
